Let's make one million bells ring worldwide to mark 100 days since the October 7 Hamas terrorist organization's brutal, vicious massacre of 1200 civilians - Israelis and nationals of 41 other countries - including infants, children, young women, elderly women, and men.

Be part of a global action promoting humanity when we:

 **Ring to Remember**
those murdered, the injured, their families and loved ones.

 **Ring to Return**
the remaining hostages immediately.

 **Ring to Reclaim**
a world without terror, antisemitism, bigotry and racism.

The goal of the Global Solidarity Bell Ringing event is for one million bells to ring at the same time for at least **60 seconds** across the globe! Together, we will set a Guinness World Record!

Mobilize

your community to ring bells on **January 14th** in bell towers, churches, fire stations, reception desks in large hotels, neighborhoods, and homes. Urge friends and colleagues to **Ring Bells** on the project's dedicated website: www.1000000bells.org and Instagram.
